Shannon Update

Shannon is settling into his new school and our thoughts are very much with him as he adjusts to all these changes.

Dates 2

The DET contracted technology company 'IWT' (that all schools purchase their equipment from) has generously donated a laptop to Shannon. A HUGE thank you to our ITC technician, John Young who organised this.

With the support of our staff, School Council and Shannon's Mum we would all like our students to meet up with Shannon day/date (YTD) to show our whole school support for Shannon who recently experienced a family tragedy.

Birthday
Corner 2

At this excursion, we will present Shannon with the laptop, which will bring some happiness in his time of sorrow. We are investigating a suitable location to meet up with Shannon in the Cranbourne/Frankston area that has a playground and a large undercover shelter if it's a

rainy day.

There will be no excursion charge for this day and families are most welcome to join us too. I'm hoping all details will be confirmed by next week and an excursion permission form will be sent home then.

Upcoming Teacher PD

On Tuesday and Wednesday Xandy and myself attended the Professional Learning Communities P D with our Moe Small School's Cluster. The aim of the "PLC" program is to build high capacity teaching, to improve the learning outcomes for every student. There are 8 modules to complete in the program with both "in-school" and "out of school" PD days to attend.

Yesterday I was at the West Gippsland Principal's Forum PD.

Thank-you to Angela and Pam who replaced Xandy and myself, in our classes, on Tuesday and Wednesday.
